

## PARTICIPATION FEE WORKSHEET – ASTs

This worksheet will help you calculate how much participation fee is needed to insure your ASTs. Participation Fees are paid annually, on a “per tank” basis. If for some reason your insurance application is rejected, your participation fee will be refunded in full.

### CATEGORY ONE:

*Tanks less than 25,000 gallons.* **\$100 per tank**

### CATEGORY TWO:

*Tanks of 25,000 gallons or larger* **\$200 per tank**

### ONE-TIME INITIAL TANK FEE:

*If you have not yet paid the one-time, \$100 per tank fee, you must pay it now in order to receive insurance coverage.*

Calculate your participation fee:

	ASTs in Category One x \$100	=	
	ASTs in Category Two x \$200	=	
	<b>Annual Participation Fee</b>	=	
	ASTs subject to one-time fee x \$100	=	
	<b>Total Amount Enclosed</b>	=
