

ASSIGNMENT OF INSURED'S RIGHT TO RECEIVE REIMBURSEMENT OF "CLEANUP COSTS"*

INSURED

ASSIGNMENT BY INSURED

I, _____, am the fund participant for Participation Agreement Number _____ for the period of _____ to _____. During my coverage period or extended reporting period, I filed a claim noted as Claim No. _____ under Participation Agreement Number _____.

Site Name: _____
Address: _____
City, State, Zip: _____

I hereby assign my right under the participation agreement and this claim to receive reimbursement for "Cleanup Costs" to:

Name: _____
Business Name: _____
Address: _____
City, State, Zip: _____
Phone: _____

I understand that this Assignment terminates my right to receive any additional payment from the Board of Trustees for the Missouri Petroleum Storage Tank Insurance Fund (hereafter PSTIF) for "Cleanup Costs" incurred at this location. The effective date of this assignment is _____. I further understand this assignment does not release me from any legal liability I may have for contamination for which this claim was established.

Signed: _____ Date: _____

ASSIGNEE

ACCEPTANCE BY ASSIGNEE

I, _____, hereby accept assignment of the right to receive reimbursement from the Board of Trustees for the Missouri Petroleum Storage Tank Insurance Fund (hereafter PSTIF) for "Cleanup Costs" I incur at this location, subject to pertinent statutes and regulations of the PSTIF. I understand that the PSTIF will not recognize any costs beyond those necessary to achieve cleanup standards established by the Missouri Department of Natural Resources. I understand bodily injury and property damage liability coverage is not included in this assignment.

Signed: _____ Date: _____

PSTIF

PSTIF CONSENT

Pursuant to Section VI, Paragraph 7 of the PSTIF Participation Agreement, we consent to this Assignment. This consent may be withdrawn at any time for cause with 60 days notice.

Print Name: _____ Date: _____
Signed: _____ Title: _____

* "Cleanup Costs" means expenses for the removal or neutralization of petroleum, including costs, charges, and expenses incurred by geotechnical or environmental firms and their personnel to investigate, contain, control, analyze, treat, assess, remediate, or monitor the effects of any "release" covered by this insurance.
