# LATEST LEADS

ON MISSOURI TANK SITE CLEANUPS

*A newsletter for environmental professionals to keep you posted on developments of interest*

**Sorry - the link in the second bullet was incorrect. Here is a corrected version:**

## Helpful Tidbits

Things all good environmental consultants doing tank site work in Missouri should know:

- [Amended monitoring well regulations](#) were just published and become effective February 28;
- Monitoring wells can be certified and registered online [here](#);
- Some geotechnical borings are regulated and some are not, as explained [here](#);
- [GeoSTRAT](#) is an online, interactive tool for visualizing geospatial data;
- Current and former tank sites are mapped on [E-START](#); and
- The current versions of PSTIF forms for making a claim or requesting reimbursement should always be used and are available [here](#).
