ON MISSOURI TANK SITE CLEANUPS

A newsletter for environmental professionals to keep you posted on developments of interest

Legislative Proposals of Interest

HB1007 would prohibit local governments from enacting ordinances prohibiting private wells.

SB348 would sweep the "annual excess fund balance" from the PSTIF and all other special state funds.

HB92 and *SB285* remove the phrase "waters of the United States lying within the state" from the definition of "waters of the state" in Missouri's Clean Water Law and "Spill Bill."

SB16 and *SB88* limit how long members can serve on boards and commissions after their terms expire.

Information on bills being considered by Missouri's General Assembly can be found at <http://moga.mo.gov/>. The legislative session ends May 15.

Hazardous Waste Fees Going Up?

DNR's Hazardous Waste Program is considering whether to increase various fees, including the generator fee and per

New Claims Rule

Don't forget – The new PSTIF claims rule goes into effect March 30, 2015. Here's a complete copy of the new rule: <http://www.sos.mo.gov/adrules/csr/current/10csr/10c100-5.pdf>.

Cost estimates that do not contain the required information will be returned. Invoices for work more than two years old will not be paid.
