### New, Simpler Claim Forms!

The PSTIF now has a very short claim form that can be used by persons who wish to voluntarily clean up an old tank site – (i.e., What we call a “remedial claim.”)

A slightly longer claim form is available for insured owners and operators to use.

Both forms are available on the PSTIF web site, <http://www.pstif.org> (click on the “Claims” tab and then “Forms” and pick the form you need).

### Vapor Intrusion

New guidance from EPA on how to analyze the indoor inhalation risk at petroleum sites is expected later this summer. In the meantime, you may want to review this EPA paper that discusses how the vapor intrusion risk from petroleum differs from chlorinated hydrocarbons:  
<http://www.epa.gov/oust/cat/pvi/pvicvi.pdf>.
