A newsletter for environmental professionals to keep you posted on developments of interest

Free Webinar on Missouri's New "One-Call Law"

All consultants and drillers know about Missouri's "One-Call Law," right? But did you know the law recently changed? Do you know who is liable when a utility is unexpectedly hit during excavation or drilling activities?

The PSTIF and DNR are cosponsoring a webinar at 2:00 p.m. (CDT) on June 16, 2015. The assistant attorney general responsible for prosecuting violators of the law, Jacob Westen, will give a 30-minute presentation, then you'll have opportunity to ask questions.

Don't miss this easy way to assure you understand and follow this new law!
