PSTIF Claims Rule Changes

The PSTIF Board of Trustees has approved changes to the PSTIF's claims rule that will:

- Require submittal of invoices within two years;
- Require a schedule with all cost estimates;
- Require a site conceptual model with cost estimates for site characterization; and
- Make other important changes to bring the rule up-to-date.

A copy of the rule is available here:

<http://www.pstif.org/claims.html>. It will be published in the *Code of State Regulations* on February 28, 2015 and will become **effective on March 30, 2015**.
