Reducing Red Tape

Missouri Governor Eric Greitens has challenged all executive branch agencies to make it easier for businesses and taxpayers to “do business” with Missouri state government.

As experienced practitioners in the environmental field, you undoubtedly have ideas on how we might do this! Please take a few minutes to submit your ideas.

To submit your ideas to MoDNR, (air, water, UST, well drilling, or other programs), go here:
<http://dnr.mo.gov/redtapereduction/>

To send your ideas to PSTIF, please email us at:

Thanks!
